

Dear Member(s)

After much soul-searching we have decided to cancel the last two screenings of the current season. Although there has not yet been any official pronouncement from the Public Hall, we have concluded that it would be irresponsible to hold an event at which a large number of people, many quite elderly, sit in close proximity to each other for a couple of hours (the chairs are fastened to each other to comply with health and safety legislation).

So we will be rolling the last two films of the season (**Wajib** and **Cold War**) into next season, which we trust will be able to open in September as normal. We hope that you will wish to renew your membership- details of the new programme will be distributed later. We are offering a reduction of £5 on the renewal subscription as some small consolation over the present disappointment.

In the meantime, keep healthy, and wash your hands.

Kind regards,

J Stuart Yerrell,

Chairman.

15<sup>th</sup> March 2020

PS. As an added precaution we are suspending our DVD loan service.
